

To Our Valued Customers

June 2026

Notice of Product Specification Changes

We would like to express our sincere gratitude for your continued support of our products. We are writing to inform you that we have made specification changes to the following product models.

These changes will not affect functionality or performance; they are intended to improve productivity and performance.

Please note that there will be no change to the list price.

We appreciate your understanding and look forward to your continued support.
