MARUICHI RUBBER Special news for special guests (May 2025)

Popular **Veze**, a Japanese compact SUV with consistent new car sales. It has also topped SUV vehicle sales many times. Recently, the demand for **used cars** has been increasing, and the company is **ranked No. 1 in used car** shipments in one overseas country. **We verified the compatible part numbers and found that Maruichi Rubber Industry's driveshaft boots are compatible!**

The band included here is **one of the best parts (external parts) in the world.** Included in the package is a **special band that only Maruichi Rubber uses.**
